Work

Please complete the sections below if you require any work to be completed over the Winter. River Yar Boatyard can cater for any work required from simple jobs to full blown refits, using a select group of specialist subcontractors and our own in house team. If you would like to talk through work required please feel free to give us a ring on 01983 761000. If you would like quotes for work please fill in the sections below and note "quote" in the second column. If you would like any engineering or electronic work done please contact Yar Marine Engineering on 01983 760521. River Yar Boatyard now offers undercover Winter storage for all sizes of boat.
